

Sponsors of the Conferences

12-14 June, Kos, Greece

European Community on Computational Methods in Applied Sciences, ECCOMAS

International Association for Computational Mechanics (IACM)

School of Civil Engineering, National Technical University of Athens

Greek Association for Computational Mechanics (GRACM)

European Association for Earthquake Engineering (EAAE)

John Argyris Foundation

NIKI Information Technology & Digital Engineering, Ioannina, Greece

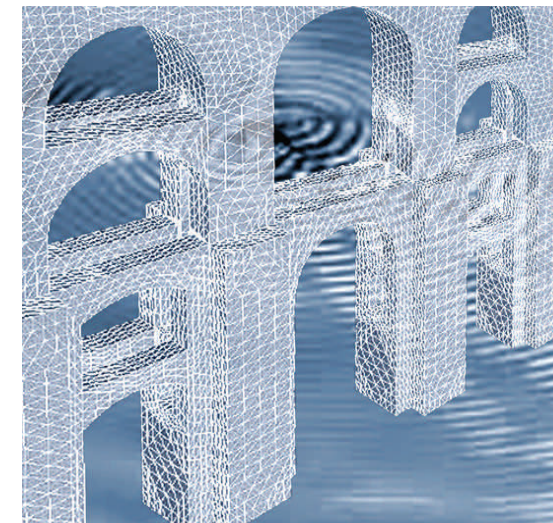

TWT Science & Innovation, Stuttgart, Germany

3DR Engineering Software Ltd and STRUDL Europe Ltd

Greek National Tourism Organisation

COMPdyn 2013

4th International Conference on
Computational Methods in
Structural Dynamics and
Earthquake Engineering

PROGRAMME

SEECM III

3rd South-East European
Conference on
Computational Mechanics
